

Objective

To obtain professional experience in healthcare that promotes collaboration with colleagues in order to further my understanding of patient care and further my understanding of the healthcare field.

Education

Loyola Marymount University, Los Angeles, CA
Bachelors of Science in Biology (Expected 2021)
GPA: 3.71/4.00

Relevant Coursework:

General Biology + Lab | General Chemistry + Lab | Organic Chemistry + Lab | Cell Function | Genetics
Biochemistry | Comparative Anatomy | Epidemiology | Molecular Biology of the Human Genome

Technical Skills

Laboratory: PCR,, Aseptic Technique, Gel Electrophoresis, Pipetting,, Basic Biology and Chemistry Lab
Instrumentation, Data collection and analysis, Experimental Design

Certifications: HIPAA, CPR

Communication: Compliance with healthcare regulations, Handling Confidential Information, Collaborative problem solving, Adaptability, Evidence-based Decision making, Organization

Relevant Volunteer Experience

UCLA Care Extender Intern- UCLA Santa Monica Medical Center January 2018-February 2019

- Collaborate with a team of nurses, care partners, and unit secretaries to assist patients
- Fulfill and exceed patient's needs in the high-paced environment of the hospital
- Represent UCLA health through daily patient involvement, through discharges and assistance

El Espejo Mentoring Program- Loyola Marymount University August 2018-May 2019

- Foster personal, meaningful relationships with children from diverse backgrounds
- Handled personal information and concerns of adolescents in a confidential, productive manner
- Encouraged middle school children to succeed in their education through acting as their mentor

Medlife Health Clinic- Lima, Peru Summer 2016

- Assisted physicians in providing patient care and directly overlooked medical procedures
- Shadowed physicians, OB/GYNs, pharmacists, and assisted with pediatric education
- collaborated with colleagues to organize mobile clinics and community outreach within strict time frame

Work Experience

Teaching Assistant, Molecular Biology Applications Lab- Loyola Marymount University August 2020-Present

- Oversee students performing lab activities to provide feedback for improvement
- Adapt laboratory protocols into an interactive learning environment in an online setting

Teaching Assistant, General Chemistry Lab- Loyola Marymount University August 2019-May 2020

- Oversaw students performing lab protocols to provide constructive feedback
- Guided students on how to correctly perform chemistry lab techniques
- Responsible for providing feedback on students lab reports

Burns Recreation Center - Loyola Marymount University January 2018-August 2019

- Maintained facility cleanliness and enforcing facility policy to ensure a positive guest experience

Awards & Involvements

Belles Service Organization: Finance Chair - Loyola Marymount University March 2019- Present

Seaver College of Science and Engineering Dean's List 2020
