

Resources: U.S. Flag Air Carriers and Code Share Alliances

On this page:

- [For International Destinations](#)
- [For Domestic Travel and Travel to Canada](#)

For International Destinations

These U.S. carriers and their foreign code share partners travel to major cities in Europe, Asia, Africa, Australia and South America:

- Alaska Airlines (AS)
- American Airlines (AA)
- United Airlines (UA)
- US Airways (US)
- Delta Airlines (DL)
(Delta also has flights to Polynesia, check availability)

All airlines are obligated to inform the traveler of code share flights. Additional information on airline code share alliances is available on:

- [StarAlliance.com](#) with 21 partners including UA/US
- [Oneworld.com](#) with 10 partners including AA
- [SkyTeam.com](#) with 11 partners including DL/NW/CO

Reminder – A code share flight must be documented with the U.S. flag carrier airline code.

For Domestic Travel and Travel to Canada

- Airtran Airways (FL)
- Alaska Airlines (AS)
- America West Airlines (HP)
- American Airlines (AA)
- American Trans Air (TZ)
- Delta Airlines (DL)
- Frontier Airlines (F9)
- Hawaiian Airlines (HA)
- Jet Blue (B6)
- Midwest Express (YX)
- Southwest Airlines (WN)
- Spirit Airlines (NK)
- United Airlines (UA)
- US Airways (US)

- Virgin America (VX)

Note: *Air Canada is NOT a U.S. flag air carrier*.
